Clara and John Stander have been married for ten wonderful years. She's a college professor, and he's a handsome professional. Together, they have a comfortable, fulfilling life (and, of course, the sex is wonderful!) and their careers are going perfectly.

That's until handsome Jake, one of Clara's English II students, enters her life. He entirely forgot about class, and is now in danger of failing. He assures her he's willing to do anything she wants in exchange for a passing grade.

Can Professor Stander resist this temptation? Or will she and John get the chance to live out their wildest fantasy with her handsome student?
