Product description of 'The REDHOUSE Project:'

American investigative journalist Frank Bolan has a problem. Moscow wants him six feet down, or in a body bag. It doesn't matter. They'll take it any way they can get it, and Bolan doesn't have a clue as to the reason. That is no way to begin a career.

Assigned to do background research on the two candidates vying for political office, Bolan finds the world around him transforming into a graveyard. It is filling up fast, especially with his friends. The clues lead him to Greece where he encounters a goddess of a woman named Nikkie. She is the perfect tour guide. In the French Alps, the CIA team assigned as his homeward bound escort service to ensure his safe return to the United States, find themselves outgunned and out-manned.

The gloves are dropped in this international thriller. Frank Bolan discovers that he is caught in a global chess match between two grandmasters...and there is simply nowhere to hide.

Why has the Kremlin issued a 'Terminate On Site' order on this private American? Only time will tell! And time, that eternal sly fox, is an entity which is fast running out for all involved.
