I have stated before that the world is not your friend. Nations have little interest in the United States other than what they may gain from her - dead or alive; pick her pockets, or pick her bones, it matters little to rag-picking nations. However, America, your danger has become far more profound than ever before. Your external enemies pale in comparison to the beast that currently is consuming you alive - from within. Your deadliest enemy is to be found within your own borders now. This enemy is multi-faceted, and relentless. It is your own government. Your own government, at all levels, is at war with the American culture, the American economic and military superiority, the American identity, American citizenship, American education - literally everything that has made America unique for three hundred years is under assault from within. Unless this trend is immediately rectified, any attempt to protect your country from external enemies will be useless. What are you prepared to do about that
