Jack Higgins - Sean Dillon Series: Books 1-2: Eye Of The Storm, Thunder Point Jack Higgins

EYE OF THE STORM: Former allies in the IRA, Sean Dillon and Martin Brosnan have chosen different paths. Now Dillon is a terrorist for hire, a master of disguise employed by Saddam Hussein. Brosnan is the one man who knows Dillon's strengths and weaknesses...and brilliant mastery of espionage. Once friends, now enemies, they are playing the deadliest game of their careers. A game that culminates in a frightening – and true – event: Iraq's attempted mortar attack on the British war cabinet at 10 Downing Street in February 1991...

Blending fact and fiction, Eye of the Storm is pure excitement. Jack Higgins at his best.

THUNDER POINT: 1945. The day before Hitler commits suicide, he arranges for Nazi leader Martin Bormann to flee to South America in a German U-boat.

1992. Terrorist Sean Dillon is saved from a Yugoslavian firing squad – if he agrees to help the British government retrieve the long-lost documents of Martin Bormann. The wreck of Bormann's U-boat has been discovered in the Caribbean, along with a secret list of Nazi sympathizers. The names include high-level citizens from the U.S. and Great Britain – and may implicate the Duke of Windsor himself. The evidence lies in a watertight briefcase on the bottom of the sea. And the desperate search to find it will send shockwaves across the world...
