Paperweight Meg Haston

In the vein of Laurie Halse Anderson's *Wintergirls*, this emotionally haunting and beautifully written young adult debut delves into the devastating impact of trauma and loss.

Seventeen-year-old Stevie is trapped. In her life. In her body. And now in an eating-disorder treatment center on the dusty outskirts of the New Mexico desert. Life in the center is regimented and intrusive, a nightmare come true. Nurses and therapists watch Stevie at meal time, accompany her to the bathroom, and challenge her to eat the foods she's worked so hard to avoid. Her dad has signed her up for sixty days of treatment. But what no one knows is that Stevie doesn't plan to stay that long. There are only twenty-seven days until the anniversary of her brother Josh's death—the death *she* caused. And if Stevie gets her way, there are only twenty-seven days until she, too, will end her life.

Paperweight follows Stevie's journey as she struggles not only with this life-threatening eating disorder, but with the question of whether she can ever find absolution for the mistakes of her past...and whether she truly deserves to.

From reader reviews:

Alexandra Sauer:

Why don't make it to become your habit? Right now, try to prepare your time to do the important act, like looking for your favorite guide and reading a book. Beside you can solve your condition; you can add your knowledge by the reserve entitled Paperweight. Try to stumble through book Paperweight as your pal. It means that it can for being your friend when you sense alone and beside regarding course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you a lot more confidence because you can know anything by the book. So , let me make new experience and also knowledge with this book.

Ricardo Kiernan:

Here thing why this specific Paperweight are different and reliable to be yours. First of all looking at a book is good nonetheless it depends in the content of the usb ports which is the content is as scrumptious as food or not. Paperweight giving you information deeper including different ways, you can find any book out there but there is no e-book that similar with Paperweight. It gives you thrill looking at journey, its open up your personal eyes about the thing that happened in the world which is might be can be happened around you. You can easily bring everywhere like in recreation area, café, or even in your approach home by train. If you are having difficulties in bringing the published book maybe the form of Paperweight in e-book can be your option.

Angel Martinez:

Information is provisions for people to get better life, information nowadays can get by anyone from everywhere. The information can be a know-how or any news even a huge concern. What people must be consider when those information which is from the former life are hard to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Paperweight as your daily resource information.

Kelly Mays:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book had been rare? Why so many issue for the book? But virtually any people feel that they enjoy intended for reading. Some people likes examining, not only science book but also novel and Paperweight or even others sources were given know-how for you. After you know how the fantastic a book, you feel want to read more and more. Science publication was created for teacher or maybe students especially. Those books are helping them to bring their knowledge. In additional case, beside science publication, any other book likes Paperweight to make your spare time more colorful. Many types of book like here.
