Safety For Woodturners: Getting Started In Woodturning John Kelsey

Here are selected readings on safety for woodturners—expert, shop-tested best practices from the pages of *American Woodturner*, journal of the American Association of Woodturners. With this book, you'll learn about:

- faceshields and other essential personal protective gear
- collecting dangerous wood and sanding dust before you inhale it
- safety at the grinder while sharpening turning tools
- best practices for both spindle and faceplate turning
- bandsaw and chainsaw setup and safe use from the woodturner's perspective
- fitness and first aid in the workshop
