## The Anti-Federalist: Writings by the Opponents of the Constitution

Herbert J. Storing's *Complete Anti-Federalist*, hailed as "a civic event of enduring importance" (Leonard W. Levy, *New York Times Book Review*), indisputably established the importance of the Anti-Federalists' writings for our understanding of the Constitution. As Storing wrote in his introduction, "If the foundation of the American polity was laid by the Federalists, the Anti-Federalist reservations echo through American history; and it is in the dialogue, not merely in the Federalist victory, that the country's principles are to be discovered."

This one-volume edition presents the essence of the other side of that crucial dialogue. It can be read as a genuine counterpart to the *Federalist Papers*; as an original source companion to Storing's brilliant essay *What the Anti-Federalists Were For* (volume I of *The Complete Anti-Federalist*, available as a separate paperback); or as a guide to exploring the full range of Anti-Federalist writing. *The Anti-Federalist* makes a fundamental source of our political heritage accessible to everyone.
