Is sex essential? Is it truly, deeply important in a loving relationship? Of course it is!

The real-life "Tom and Heather Wellesley" were a once-highly-attractive couple who five years ago found themselves in a slightly boring, out of shape "family rut." Now in their thirties, their intimacy and excitement had gradually waned, opening the door for, among other pitfalls and sadnesses, the possibility of divorce.

However in divorce's face they fashioned, by mounting degrees, a culture of their own, not knowing in the beginning that hotwifing was already an established worldwide phenomenon.

This phenomenon included couples not only in "the Wellesley's" position and context, but also people who lived countless other lives, wildly varied (in philosophies and motives) - culturally as well as intellectually - from Tom and Heather's forward - across the incredibly widespread canvas of the hotwifing landscape.

At the outset of their ventures, Heather faced a serious learning curve as her seduction techniques met, ironically, with alternating degrees of bemused - and bemusing - success. And ironic non-success.

Meanwhile on the plus side, Tom's love life with Heather began to percolate and escalate dramatically, as it did for the real-life couple upon whose story this rowdy, raunchy, sensuous-and-sensual tale is fondly and warmly based - and with whose input and approval it was written. With grander, more intimate and more intriguing successes for Heather - with and, occasionally, without Tom - to follow - and follow...in Book Two, Chapter Ten!

NOTES: 12/17/15

Dear Friends and Fans of the real "Tom," and the real "Heather:"

Until Chapter Two of Book Two, the price for every new chapter had been \$.99, which we felt fair. But KDP began displaying alerts that (for whatever reason) selections in our genre will reach a far broader audience if the price is \$2.99; if you log onto the KDP/Amazon Advertising and Promotions site, you will find similar advisements. Therefore, we are honoring this guidance from them, and we hope that the results will be positive for everyone. However we do this with some reservations, and we apologize sincerely to those for whom, like us, the added \$2 cost might be not insignificant, although hopefully not burdensome. To ease the pain, we are still...as before...offering each chapter as an Amazon Free Promotion for the Friday through Wednesday during which each new chapter appears.

For you new readers, regarding "the chapters:" every Thursday a new chapter of "Tom and Heather, Book Two" will appear for \$2.99...a bit the way Charles Dickens placed a new chapter of his novels in magazines

on a weekly basis.

If you missed Book One and would like to read more of the backstory (and some choice bits from Book Three), the complete Book One is available here on Amazon for \$9.99. Simply do whatever works for you - hopefully with an open mind, and an appreciation for the real Tom and Heather's remarkable - sometime amusing, sometimes touching, sometimes frustrating, sometimes sizzling - journey.

Best, and enjoy!

With sincere appreciation,

Morgan Snow

-----

BTW Book TWO in its entirety for \$9.99 is still NOT available as, although it is complete now in first draft form, it needs additional editing by yours truly, which I attempt to perform each week. Truly wish I didn't have a day job so I could spend full-time writing and editing, but, alas...guessing you might relate. And even in its second-draft form, Book ONE could use some work - not a surprise if you've been following the literary adventure as well as "Tom and Heather"'s literal one. Perhaps one day we'll have a professional publisher who can contribute needed finessing, as occurred with 50 SHADES when it went to hardbound-then-paperback!

\* SIGH \* with a smile!
