Sometimes you meet the right person at the wrong time...

Mark Williams has loved Meredith since he was seventeen. A successful man with a strong family, he's worked hard to move on from Meredith breaking his heart all those years ago. When his path crosses with the only woman he's ever loved again years later, Mark knows there is nothing he won't do to keep her in his life. But when the going gets tough, will Meredith stick around or will he lose her again?

...But true love has a way of finding its way back.

Meredith Summers is a dancer. One of the first things she learned in following her dreams is that timing is everything. She has spent the past ten years following her dream touring with mega-stars while trying to forget the high school sweetheart she left behind. Now she's back in Seattle, running a successful dance studio with her best friend Jax and determined to move on from her gypsy past. Until the day she sees Mark Williams and time stands still. It's as if no time has passed at all when Meredith finds herself in Mark's arms again. The chemistry, the bonds and the love are as strong as ever and hearing Mark whisper breathe with me in her ear is a balm to her wounded soul. But will she grab onto this second chance at love, or is the timing all wrong for them again?
