**Complete Works Of Abraham Lincoln (Complete works of Abraham Lincoln (1905))** Abraham Lincoln  
There was a review that talks about computer "jibberish" appearing in the text. That was only at the beginning of this book. I cleaned it up though. There may be a little leftover "jibberish" but it looked fine to me. There are page titles that do interrupt sentences just as happens in the original book, but it didn't really bother my reading the text.
