Existential Eroticism: A Feminist Approach to Understanding Women's Oppression-Perpetuating Choices Shay Welch

Existential Eroticism: A Feminist Approach to Understanding Women's Oppression-Perpetuating Choices offer a unique lens aimed at the underbelly of the lady through which feminists can reorient discourses on rationality and moral responsibility related to women's oppression-perpetuating choices. Shay Welch utilizes feminist ethics, broadly construed as feminist philosophy concerned with the ethical commitment to eliminate oppression, to scrutinize how women regard and judge one another and to offer a more representative account of restriction, rationality, and responsibility to begin the healing process between diverse and divergent women. The book aims not only to construct an analysis of self-perpetuated oppression that will broaden feminist understandings of experiences that motivate many women to choose as they do, it serves as a means of understanding the marginalized.
