## **Forgiven (Forgiven Series Book 1)** Rebecca Brooke

What happens when one moment changes the course of your entire life? Do you sit back and accept it, or fight to live the life you choose? Caleb Jacobs has a past that has haunted him for two years. Knowing he can never forgive himself for the events that led to his departure, Caleb chooses to live a quiet life—concentrating on school, sports, and shots. But when he is paired with Angie for a history project he realizes that no matter how much you try to hide from your past, one way or another it will find you.

Angelina Powers knows what she wants from life. Growing up with only an alcoholic father for company, Angie learned early on in life that you can only count on yourself. But that doesn't stop her wishing for her white knight. She's confident, happy and focused...until she meets Caleb. So how will she feel when her potential white knight turns out to be more of a black shadow?
