Courted by Reggie as a schoolgirl, her eight year relationship with him drew Frances into a world of nightclubs, fast cars, beautiful clothes and showbiz parties. Yet as time passed, she struggled to cope with the horrific world of the Kray twins, full of violence, drink, drugs - and sheer terror. By the time of her marriage, she had become inextricably linked with the Krays and their downward spiral from gangland extortion and brutality into senseless murder and mayhem. Reggie, obsessed by his wife from the day he met her, was never prepared to let her go. Despite her attempts to break free, two years after their wedding, Frances was found dead from a drug overdose. Our Story The Kray twins were Britain's most notorious gangsters. Ruling London's underworld for more than a decade, as gang lords they were among the most powerful and feared men in the city. Photographed by David Bailey and even interviewed for television, they became celebrities in their own right and are infamous to this day. Ronnie and Reg's reign of terror ended on 8 March 1969 when they were sentenced to life with the recommendation that they serve at least thirty years. Ronnie ended his days in Broadmoor - his raging insanity only controlled by massive doses of drugs. Reg served almost three decades in some of Britain's toughest jails before being released on compassionate grounds in August 2000. He died of cancer eight months later. Compiled from a series of interviews with Fred Dinenage from behind prison walls.
