Cities in the Sea (Michigan Literary Fiction Awards) Maura Stanton

In *Cities in the Sea*, Maura Stanton taps into the mysterious force of the fairy tale, with its fantastic images and magical narrative patterns. Her stories blur the boundaries between fairy tale and verité, and comment on the art of storytelling. A range of characters -- from a business man to a pianist, from a county coroner to a hardware store clerk, from a Greek immigrant to a Danish artist -- come to discover that the past is a ruined kingdom, lost forever, but still a place to visit in wish, dream, and memory. Throughout her stories, Stanton attempts to wrest a deeper pattern, full of humor and wonder, out of the disturbing events of contemporary life.

Maura Stanton's previous books include the novel *Molly Companion* and the story collections *The Country I Come From* and *Do Not Forsake Me, Oh My Darling*. Stanton is a recipient of the Yale Series of Younger Poets award and a two-time winner of the PEN Syndicated Fiction Award. She teaches in the M.F.A. program at Indiana University.

Augustine Klotz:

Many people spending their time by playing outside with friends, fun activity together with family or just watching TV all day every day. You can have new activity to invest your whole day by examining a book. Ugh, ya think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Cities in the Sea (Michigan Literary Fiction Awards) which is obtaining the e-book version. So , try out this book? Let's observe.

Walter Goodwin:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Cities in the Sea (Michigan Literary Fiction Awards) can make you feel more interested to read.

Betty Norsworthy:

What is your hobby? Have you heard that question when you got learners? We believe that that question was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. And you also know that little person similar to reading or as reading through become their hobby. You need to understand that reading is very important as well as book as to be the thing. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update regarding something by book. Many kinds of books that can you choose to adopt be your object. One of them is niagra Cities in the Sea (Michigan Literary Fiction Awards).
