## Love, Love, Love: And Other Essays Charles Taliaferro

In forty-three brief essays from the life of a philosopher, Charles Taliaferro guides us toward the heart of human being in all of its absurdity and joy. Electrocuted by his coffee maker during class, battling dragons on his rooftop, and accompanying his father to the border between life and death, Taliaferro recommends to us a life vulnerable to silliness, pain, and the depths of love they create in us. Hilarious and sobering, *Love, Love, Love* investigates what we need most to live humanely, humorously, faithfully, and well.
