Love doesn't obey preordained rules. Sometimes, social status and gender mean nothing. The purest of affections can be born between two people living in different worlds. In a society where women rule over an enslaved race of men and love between a woman and man is considered a perversion, Pax's and Prince's union is destined for a tragic end. Coming from an existence of privilege, Pax has never endured harshness. She has never had any reason to doubt the rules Ginecea was built on. Everything changes when she is sent to spend her summer on a desolate farm and is exposed to the ongoing brutalities against defenseless men. A wrong turn leads her to witness Prince's thrashing at the hands of the guards. One look from him and Pax's perfect life is shattered, the memory of his dark eyes haunting her night and day. As a pure breed, born to one of the most prestigious family in Ginecea, she would have never thought it possible to fall in love with a man. Marked as a sinner, Pax abjures her ancestry to save Prince's life. She hopes they can disappear into the desert, but social prejudice and political schemes give them no respite. The Priestess, the ruler of all Ginecea, has other plans for Pax Layan and her family.

Third in The Ginecean Chronicles, Pax in the Land of Women is a dystopian tale set on the planet Ginecea.
