A Few Hidden Truths

Stephen Lee Mowat

A Few Hidden Truths Stephen Lee Mowat

This book is an account of life in Scotland and Indonesia, at a pivotal time in human history. It profiles existence without social security, commenting on inequalities and rampant political corruption. The rapidly expanding economy however easily surpasses growth in the west. While Western societies mire themselves in liabilities, they may benefit from Javanese & Muslim notions of subdued interest services as a sustainable banking future. Some surreptitious lessons can be learned from the great cultural divide of our times, which in fact has an opportunity to be the lesson in wisdom.
