## **Crazy Cock** Henry Miller, Mary V. Dearborn

In 1930 Henry Miller moved from New York to Paris, leaving behind — at least temporarily — his tempestuous marriage to June Smith and a novel that had sprung from his anguish over her love affair with a mysterious woman named Jean Kronski. Begun in 1927, *Crazy Cock* is the story of Tony Bring, a struggling writer whose bourgeois inclinations collide with the disordered bohemianism of his much-beloved wife, Hildred, particularly when her lover, Vanya, comes to live with them in their already cramped Greenwich Village apartment. In a world swirling with violence, sex, and passion, the three struggle with their desires, inching ever nearer to insanity, each unable to break away from this dangerous and consuming love triangle.
