Scotch Whisky

Gavin D. Smith

Scotch Whisky Gavin D. Smith

A pictorial record of the Scottish distilling industry and its development. The text approaches the subject from a predominantly visual viewpoint, making use of the extensive photographic archives held by many distilling companies and other related organizations. As such, it should appeal to the whisky connoisseur and expert who has previously only encountered occasional "archive" pictures in more general whisky books. The photographs have been chosen by a leading whisky writer with an extensive knowledge of Scottish social history, and his accompanying captions enhance and explore the pictures which illuminate the process of whisky production from a small-scale, largely farm-based business into one of Scotland's leading export earners and most internationally identifiable products.

From reader reviews:

Alberta Smith:

Information is provisions for those to get better life, information today can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider while those information which is in the former life are challenging to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you find the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Scotch Whisky as your daily resource information.

Christopher Hannah:

Many people spending their moment by playing outside using friends, fun activity with family or just watching TV all day long. You can have new activity to enjoy your whole day by studying a book. Ugh, do you consider reading a book will surely hard because you have to accept the book everywhere? It alright you can have the e-book, having everywhere you want in your Mobile phone. Like Scotch Whisky which is finding the e-book version. So , why not try out this book? Let's notice.

Irene Allen:

On this era which is the greater man or woman or who has ability in doing something more are more special than other. Do you want to become considered one of it? It is just simple strategy to have that. What you are related is just spending your time almost no but quite enough to get a look at some books. Among the books in the top collection in your reading list will be Scotch Whisky. This book that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upwards and review this reserve you can get many advantages.

Sergio Terry:

Reading a book make you to get more knowledge from this. You can take knowledge and information from your book. Book is written or printed or highlighted from each source that filled update of news. In this modern era like today, many ways to get information are available for a person. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just looking for the Scotch Whisky when you needed it?
