The Bible, Christianity, & Homosexuality Justin R. Cannon

There are many commendable books on the Bible and homosexuality which span anywhere from a hundred to several hundred pages in length. For the curious, such books can sometimes be inaccessible or more than they really want to read. "The Bible, Christianity, & Homosexuality" is a concise yet profound analysis of the Bible verses often misused to condemn gay and lesbian Christians. This study was written to be accessible to all, indeed, something family members and friends of gay and lesbian Christians might actually take the time to read. The Los Angeles Times describes this work as "an illuminating...analysis that argues the Bible doesn't condemn faithful gay relationships." (McGough, 7/18/05).
