The year is 1963 and "Love Me Do" is the Beatles' first number one hit, closely followed by "Please Please Me". John, Paul, George and Ringo celebrate their new found success with a hectic six-week tour, briefly interrupted by an historic live appearance at the "Royal Variety Performance" at the London Palladium. This is the beginning of "Beatlemania" and American writer Michael Braun is there to chronicle events and watch as the drama unfolds. A year later, The Beatles are the world's biggest pop group. This book details what really happened in those first magic weeks.
