Jackson Hunt gets his turn in this *Finding It* prequel novella ...

Jackson Hunt hasn't been out of the military for long, but he needs to get a job and find a sense of normalcy if he is going to keep his demons at bay. The job that falls into his lap, though, is anything but normal.

Becoming bodyguard (and babysitter) to spoiled rich girl Kelsey Summers isn't exactly what he had in mind, but it's a chance to travel, to get away. The catch: Kelsey's father doesn't want her to know she's being followed.

She's vibrant and infuriating, exciting and reckless, mysterious and familiar. When Jackson sees her falling into the same patterns he suffered years ago, he decides it's time to stop watching and help her instead. But getting to know Kelsey is more difficult than he thought, especially because the more he knows her, the more he wants her.
