## **The American Future: A History** Simon Schama

“With eloquence, wit, passion, and irony, *The American Future* traces the history of an idea: that of our national destiny....A book of beautiful writing, peppered with wisecracks, slashed with rapier thrusts.” —*Philadelphia Inquirer*

A De Tocqueville for the 21<sup>st</sup> century, Simon Schama, NBCC Award winning author of *Rough Crossings* offers an essential, historical, long view analysis of the American character in *The American Future*. Shama examines four themes—war, race and faith, immigration, and custodianship of the land—through the prism of the historic 2008 presidential election in a magnificent work that the *Wall Street Journal* calls a “celebration of American resiliency.” Niall Ferguson says, “I hope Obama will have this book on his bedside table.”
