The Middle East: A History

William Ochsenwald, Sydney Nettleton Fisher

The Middle East: A History William Ochsenwald, Sydney Nettleton Fisher

Now celebrating its fiftieth anniversary, *The Middle East: A History* has long been the standard introductory textbook in the field of Middle Eastern history. It is the most comprehensive one-volume treatment of Middle Eastern history from the rise of Islam to the present time now available, featuring full coverage of the central and peripheral Middle East. There is a thorough and balanced discussion of the political, religious, social, gender, economic, and cultural history of the region. As a comprehensive textbook, it provides teachers and students with a general introduction in narrative form to the chief elements in Middle Eastern history, thereby allowing readers to proceed into more specialized topics and themes with a firm understanding. This new edition features major revisions for the period from 1939 to the present, including updated analyses of Iraq since 2003, the status of the Arab-Israeli peace process, and the administration of Mahmud Ahmadinejad in Iran.

From reader reviews:

Gary Flint:

The book *The Middle East: A History* can give more knowledge and also the precise product information about everything you want. So just why must we leave a good thing like a book *The Middle East: A History*? A few of you have a different opinion about reserve. But one aim that book can give many information for us. It is absolutely correct. Right now, try to closer using your book. Knowledge or facts that you take for that, it is possible to give for each other; you may share all of these. Book *The Middle East: A History* has simple shape nevertheless, you know: it has great and big function for you. You can look the enormous world by available and read a publication. So it is very wonderful.

Scottie Kelly:

This *The Middle East: A History* is great publication for you because the content that is certainly full of information for you who else always deal with world and still have to make decision every minute. This particular book reveal it information accurately using great plan word or we can declare no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with attractive delivering sentences. Having *The Middle East: A History* in your hand like finding the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen small right but this guide already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt which?

Irma Chavez:

Many people spending their time frame by playing outside together with friends, fun activity with family or just watching TV all day every day. You can have new activity to invest your whole day by reading through a book. Ugh, do you consider reading a book can really hard because you have to take the book everywhere? It ok you can have the e-book, having everywhere you want in your Mobile phone. Like *The Middle East: A History* which is keeping the e-book version. So , why not try out this book? Let's see.

Bessie Hall:

As a student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this *The Middle East: A History* can make you experience more interested to read.
