Voices From the Veil of Silence: Bereavement and Life After Death George Hover

Many bereaved people are deeply concerned about the fate of their loved ones, asking questions such as "Is there a life after death?" and "Is there a place of eternal reward or punishment? or "Will I see my loved one again?"

The author gives a positive answer to life after death based on research in near-death experiences, deathbed visions, out-of-body experiences, apparitions, reincarnation, and shows that there is no solid evidence for a place of eternal torment, but rather there is evidence for the hereafter as a place for continued growth and learning.
