I am running a New Year's Promotion where you can get this book, along with the first 2 in the series for FREE on Saturday and Sunday, Jan 2nd and 3rd! I have been dealing with some unfortunate family hardships at a difficult time of year, so I have not finished the 4th installment yet. It IS coming, though! It is my hope that, should you enjoy this (or any of my work), that you please leave a review. It is difficult for new authors to grow in this community legitimately (without buying reviews from companies), so I must rely on you good folks to help me. Regardless, I hope you enjoy this series, and I hope you have a wonderful and prosperous New Year! ~ Matthew Rune

"Vincent opened his eyes. It was difficult to breathe. Something was in his mouth. His vision was blurry. He tried to reach for his face, but couldn't. His wrists were bound above his head, tied back around the ring's corner turnbuckle just above the top rope. He was leaning forward on his knees, but his legs were forced apart so that they could also be tied around the corner post.

He blinked hard to focus his vision. Jasmine lay naked in the center of the ring. The moon cast a spotlight upon her. She writhed, arched her back, and spread her legs to him..."

Dogma Style is the thrilling third verse of the New Orleans Dark Erotica Bible series. It's okay if you haven't read the previous two - there's still plenty to take in and enjoy yourself with. The verses are connected, though, so if you haven't checked the others out, give them a shot!
