In a French Kitchen: Tales and Traditions of Everyday Home Cooking in France Susan Herrmann Loomis

In a French Kitchen is a delightful celebration of French life and the cooks who turn even the simplest meals into an occasion.

Even before Susan Herrmann Loomis wrote her now-classic memoir, *On Rue Tatin*, Americans have been compelled by books about the French's ease with cooking. With *In a French Kitchen*, Loomis - an expat who long ago traded her American grocery store for a bustling French farmer's market - demystifies in lively prose the seemingly effortless *je ne sais quoi* behind a simple French meal.

One by one listeners are invited to meet the busy people of Louviers and the surrounding villages and towns of Loomis' adopted home, from runway-chic Edith, who has zero passion for cooking - but a love of food that inspires her to whip up an array of mouthwatering dishes - to Nathalie, who becomes misty-eyed as she talks about her mother's Breton cooking and then goes on to reproduce it. Through friends and neighbors like these, Loomis learns that delicious, even decadent meals don't have to be complicated.

Are French cooks better organized when planning and shopping? Do they have a greater ability to improvise with whatever they have on hand when unexpected guests arrive? The answer to both is yes. But they also have an innate understanding of food and cooking, are instinctively knowledgeable about seasonal produce, and understand what combination of simple ingredients will bring out the best of their gardens or local markets.

Thankfully for American listeners, *In a French Kitchen* shares the everyday French tips, secrets, and 85 recipes that allow them to turn every meal into a sumptuous occasion.
