Miracle on Grass: How Hall of Famer Tommy Lasorda led Team USA to a shocking upset over Cuba, capturing the only Olympic gold medal in USA baseball history David Fanucchi

"In *Miracle on Grass*, Fanucchi has captured the emotion that our entire team shared in Sydney, and has given readers an inspirational portrayal of our gold medal victory. It was a pleasure to work with him during the Olympics and again on this book. With this incredible story, you won't be disappointed." – 2000 USA Baseball Olympic Team Manager Tommy Lasorda

This is the story of how an unknown squad of American minor leaguers stunned the international baseball powerhouse from Cuba. They were the 2000 USA Baseball Olympic Team, a ragtag group of minor-league players that were hand-chosen on paper, and had never played together as a team. Led by a Hall-of-Fame manager that had come out of retirement to lead the charge for his country, they pulled off the greatest upset in Olympic baseball history. Their triumph was remarkable, but the story of their coming together is even harder to imagine. Team USA Press Officer Dave Fanucchi gives readers a behind the scenes look at how the Major League Baseball executives in charge of this operation for the United States went about selecting the players, how Tommy Lasorda persuaded management into giving him the opportunity to coach the team, how the Americans narrowly qualified for the Olympics during a gut-wrenching game, and how capturing the gold medal in Sydney changed the lives of every player, coach and administrator involved. Told with warmth and an uncanny eye for detail, *Miracle on Grass* is an intimate, perceptive portrayal of three incredible weeks in Australia and a story that appeals to American pride. It features the wisdom and determination of one older man, and the heart and guts of several young baseball players on their attempt to win an Olympic gold medal, as they harness their passion for family and country.

This kind of book very easy to read you may get the point easily after reading this article book.

David Barnett:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just minor students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Miracle on Grass: How Hall of Famer Tommy Lasorda led Team USA to a shocking upset over Cuba, capturing the only Olympic gold medal in USA baseball history can make you feel more interested to read.
