SoulTsunami Leonard Sweet

Leonard Sweet--cultural historian, futurist, preacher, and preeminent thinker--firmly believes we live in a postmodern, pre-Christian society fraught with challenges, dangers, critical choices, and above all, tremendous potential for the church. The outcome will depend on our response to today's flood of change that threatens to sweep us away. SoulTsunami outlines ten cultural changes that are already happening around us and suggests practical ways to communicate God's unchanging truth to our changing world.
