DEAR PARENT OR TEACHER,

We have four children and have been missionaries in Southeast Asia for the last twelve years. Three of our grown children have returned to America and are continuing to follow the Lord. Each child is active in a church; making a difference in this fallen world. My wife and I made plenty of mistakes as parents and thank God every day for the blessing of children who follow Him. Especially when we consider the statistic that over half of those who leave home as young adults also leave the church... forever.

If you were to ask our children how they learned to follow Jesus and become passionate, spiritual leaders, they would talk about the eight pictures of Christ. Our children have continued to follow Jesus and these Bible studies with hand-motions served as the foundation of how we raised them. These lessons gave them a practical faith and not mere head knowledge. So Holli, my wife, and I are excited about sharing what we have learned with you. We have trained over 5,000 people how to follow Jesus in a practical way. Welcome to the team!

We are not perfect parents, but we feel like we stumbled on some spiritual habits by God's grace that have helped others. We want to encourage you to teach these lessons to your kids, but also to live them out yourselves. A family committed to following Jesus together is a mighty force for good.

We pray God will bless and prosper you as you help your children follow Jesus.

Blessings and Peace in Christ,
Dr. Dan and Holli Lancaster
