National Population Policies 2001 Bernan

National Population Policies provides an overview of population policies and dynamics for 193 Member States and non-member States for which data are available at mid-decade for the 1970s, 1980s and 1990s. It also shows, on a country-by-country basis, the evolution of Government views and policies from 1976 to 2001 with respect to population growth, fertility and family planning; health and mortality; international migration and spatial distribution, within the context of demographic, social and economic change.
