*Oliver Sacks*

## **Oaxaca Journal (National Geographic Directions)** Oliver Sacks

The best-selling author of *Awakenings* and *The Man Who Mistook His Wife for a Hat*, Oliver Sacks is well known as an explorer of the human mind—a neurologist with a gift for complex, insightful portrayals of people and their conditions. However, he is also a card-carrying member of the American Fern Society, and since childhood has been fascinated by these primitive plants and their ability to survive and adapt in many climates.

*Oaxaca Journal* is Sacks's spellbinding account of his trip with a group of fellow fern enthusiasts to the beautiful, history-steeped province of Oaxaca, Mexico. Bringing together Sacks's passion for natural history and the richness of human culture with his sharp eye for detail, *Oaxaca Journal* is a captivating evocation of a place, its plants, its people, and its myriad wonders.
