The Bad-Ass Librarians of Timbuktu: And Their Race to Save the World's Most Precious Manuscripts Joshua Hammer

To save precious centuries-old Arabic texts from Al Qaeda, a band of librarians in Timbuktu pulls off a brazen heist worthy of Ocean's Eleven.

In the 1980s, a young adventurer and collector for a government library, Abdel Kader Haidara, journeyed across the Sahara Desert and along the Niger River, tracking down and salvaging tens of thousands of ancient Islamic and secular manuscripts that had fallen into obscurity. *The Bad-Ass Librarians of Timbuktu* tells the incredible story of how Haidara, a mild-mannered archivist and historian from the legendary city of Timbuktu, later became one of the world's greatest and most brazen smugglers.

In 2012, thousands of Al Qaeda militants from northwest Africa seized control of most of Mali, including Timbuktu. They imposed Sharia law, chopped off the hands of accused thieves, stoned to death unmarried couples, and threatened to destroy the great manuscripts. As the militants tightened their control over Timbuktu, Haidara organized a dangerous operation to sneak all 350,000 volumes out of the city to the safety of southern Mali.

Over the past twenty years, journalist Joshua Hammer visited Timbuktu numerous times and is uniquely qualified to tell the story of Haidara's heroic and ultimately successful effort to outwit Al Qaeda and preserve Mali's—and the world's—literary patrimony. Hammer explores the city's manuscript heritage and offers never-before-reported details about the militants' march into northwest Africa. But above all, *The Bad-Ass Librarians of Timbuktu* is an inspiring account of the victory of art and literature over extremism.

Christopher Suttle:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this *The Bad-Ass Librarians of Timbuktu: And Their Race to Save the World's Most Precious Manuscripts* can make you experience more interested to read.
