Brennan Koch merges his love of bowhunting and his passion for the Lord by uncovering biblical truths illustrated through his hunting experiences. Whether bugling in bulls or waiting out whitetails in the stand, spiritual truths are found everywhere. Object lessons pulled from your hunting pack will show you that your quiver is indeed full. "The Full Quiver caught my attention when I received the book from Brennan. What a great inspirational read! Each short chapter gets to the point by using an analogy involving archery and hunters to our Christian faith. I enjoyed this book because it spoke to what really matters in life. I am now reading it again. Brennan obviously has a real love of our Lord and I hope to see more from him. The Full Quiver blessed me immensely and will you as well."
