Unleashing the Power of Covenant Dr. Bob Christensen

The Christensen's new book, *Unleashing the Power of Covenant*, is an in-depth study about covenant and the kind of relationships God desires for our lives. The principles shared apply to all areas: our relationship with our Creator, with our spouses, with our employers, and with our brothers and sisters in Christ.

This book is highly insightful regarding the pressures and challenges facing the Church today and those who desire excellence (peace, love, and joy) in their personal relationships. They write, "Covenants are about life and God's life-giving, life-blessing, life-extending power and promises."

The truths shared in this book can provide you with a foundation for creating your own bit of heaven here on earth. I recommend it and encourage you to lay hold of its life-changing revelations. As your understanding of covenant increases, not only will your relationships be enriched, you will also be equipped to share and demonstrate the power of covenant with others.
