About Face June Rae Wood

Nothing ever changes in Turnback, Missouri. At least that's what thirteen-year-old Glory thinks. But then the carnival comes to town, and she meets Marvalene. Glory thinks that Marvalene has the most exciting life of anyone she's ever met. But Marvalene is tired of the carnival and longs to live with her family in a house without wheels. Both girls wish their lives were different, and both need a friend. But when Glory and Marvalene uncover a secret from the past, their friendship may be doomed.

"As satisfying as a hot, crisp corn dog at a carnival.
