Nika Anthony Land

Nika Voronina, a beautiful young Russian woman, comes to a wealthy suburb of New Orleans as the trophy wife of a coarse, alcoholic lottery multimillionaire, who is unaware that his lovely plaything is the victim of a terrible crime that devastated her psychologically. Her solitary struggle to rebuild her shattered psyche has produced a mask of normalcy concealing a deadly inner reality. The true female avenger is a subject Western literature has traditionally shied away from as too frighteningly alien to the character of woman as the sole source of human life. The ancient Greeks faced the reality unblinkingly in the bloody-handed likes of Medea, Clymenestra and Procne. Thereafter, however, vengeful women were largely reduced to convincing some man to do their killing for them. NIKA harks back to those ancient legends with a woman twisted by inner torment into a clever, relentless hunter of an entire class of evildoers. But Nika Voronina is not one of the one-dimensional female killing machines made popular by the comic book-level vigilante fiction of the past decade. Violent revenge comes at a very high emotional price to the avenger, particularly a female avenger, and Nika pays that price in full. In the sunny midst of an upper class American suburb, the darkness behind her beautiful face and form creates a perfect irony. She is a true monster, incurably flawed, outcast and profoundly tragic.

From reader reviews:

Lucia Morrone:

The book Nika make you feel enjoy for your spare time. You can utilize to make your capable a lot more increase. Book can to be your best friend when you getting stress or having big problem with your subject. If you can make reading a book Nika to be your habit, you can get more advantages, like add your personal capable, increase your knowledge about several or all subjects. You are able to know everything if you like available and read a book Nika. Kinds of book are several. It means that, science e-book or encyclopedia or other individuals. So , how do you think about this publication?

Jenna Springer:

In this 21st century, people become competitive in each way. By being competitive currently, people have do something to make them survives, being in the middle of the crowded place and notice through surrounding. One thing that often many people have underestimated the idea for a while is reading. Yes, by reading a reserve your ability to survive boost then having chance to stand up than other is high. In your case who want to start reading a book, we give you this specific Nika book as starter and daily reading publication. Why, because this book is usually more than just a book.

Calvin Copher:

The publication with title Nika possesses a lot of information that you can study it. You can get a lot of gain after read this book. That book exist new knowledge the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to know how the improvement of the world. This kind of book will bring you in new era of the globalization. You can read the e-book on your own smart phone, so you can read this anywhere you want.

Belinda Hamilton:

This Nika is great publication for you because the content and that is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it details accurately using great organize word or we can say no rambling sentences inside it. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tricky core information with attractive delivering sentences. Having Nika in your hand like keeping the world in your arm, details in it is not ridiculous one particular. We can say that no reserve that offer you world with ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hey there Mr. and Mrs. hectic do you still doubt this?
