ON THE OPEN ROAD: Some Thoughts and a Little Creed of Wholesome Living

Ralph Waldo Trine

ON THE OPEN ROAD: Some Thoughts and a Little Creed of Wholesome Living Ralph Waldo Trine
Before "New Age" there was "New Thought," a philosophy that sought God through metaphysics and was wildly popular in the late 19th and early 20th centuries. American mystic and best-selling author RALPH WALDO TRINE (1866-1958) was one of the most significant writers on New Thought principles, and in this delightful work, Trine lays down a creed on living an honest, fearless, just, and joyful life. He pledges, and asks us to pledge: . to aid in righting wrongs . to "love the fields and the wild flowers" . to act upon our own convictions . to "get up immediately when we stumble" . and 13 more. On the Open Road is perfect as a gift to someone needing inspiration-or to give ourselves a boost of confidence.
