**Rogue Bear (A Paranormal BBW Shape Shifter Romance) (Bluff Bears Book 1)** Amelia Jade, Terra Wolf

Calan Winters wants a woman. A mate.

He's tired of skinny, platinum blonde girls with fake tits. He's looking for someone with shape, who is all curves and all woman. **He intends to make her all his.**

In search of his mate, he's returning to Bear Bluffs after being gone for fifteen years. He's back to reclaim his old family land, find his mate, and to settle down and have some cubs with her. He swears up and down his wandering, rogue-like past is behind him. But can he convince himself that it's the truth?

Harley Hammond is new to town. She fled an untenable situation several years earlier, coming to find the only family she has left; her dad. She's just started to feel comfortable in town, when in walks a mysterious bear shifter, who has an instantaneous effect upon her. In fear of betrayal and more pain than her still-broken heart can handle, Harley does her best to keep him at a distance.

As it turns out though, Calan may be the only one who can save her from trouble of her own making. Will his efforts be enough to convince her that he's for real?

This is a 25,000 word STANDALONE novella with NO CLIFFHANGER.

Note: This book was edited and re-formatted Nov/15, but the story has not changed.
