Minor Prophets Bible Study Guide Bundle 1

This is the First part or 'bundle' and includes six books in the 'Spotlight On The Minor Prophets' series; (Old Testament prophets) and include Jonah, Obadiah, Joel, Hosea, Amos, and Micah.

Bible Study Guide for Group or Individual use

These are not intended to be in-depth bible studies as such; but instead an introduction or summary of the Prophets, their times and influences both then and today. These short bible studies of the Old Testament Prophets are intended for individual or group use, and I have found them useful for encouraging debate and conversation, on all the topics that affected the peoples at that time; and now affect ourselves in today's world.

Bible study shows that some things never change!

Job states that "As sure as sparks fly upwards, Man is born to trouble". The social and economic troubles that the ancients faced are the same ones as we face now. It has been said that "if we do not learn from our mistakes, then we are doomed to repeat them". Perhaps it's time to listen to their problems and see what The Lord had to say through his spokesmen - whom we know as the 'Minor Prophets'.
