Big Lake Lynching Nick Russell

When a young Apache man is found hanging from a tree on Cat Mountain, Sheriff Jim Weber and FBI agent Larry Parks go on the hunt for the killers and by the time their investigation is over, the idealistic cover is ripped from the little mountain town of Big Lake, revealing old prejudices, resentments, and hatred.

In their search for justice, Sheriff Weber and Parks encounter Native American activists, a kinky couple whose passion burns as hot as their tempers, a teenager with excess baggage, and a father and son team of small town bullies, to name just a few.

Many of the characters that made the original Big Lake book so popular are back, along with some new ones readers will remember for a long time.

One reviewer has referred to the Big Lake mystery series as "Mayberry Meets Twin Peaks." It's a combination of humor and intrigue that launched author Nick Russell's first Big Lake book into Amazon's 100 Top Paid Kindle books for over 78 days, and Big Lake Lynching is sure to be a hit too!
