Each chapter explores mysterious events—events that the reader will find hard to pass off as mere coincidence.

In her quest to uncover explanations for each incident, Leslie Rule extensively researched library archives and interviewed credible witnesses, historians, renowned psychics, and parapsychologists. "To top that," Rule explains, "[my mother] introduced me to a serial killer when I was fourteen." The reader is invited to skip ahead to learn about that chilling episode...but the pages prior to that offer their own gripping, spell-binding encounters.
