## **Handbook of Local Government Administration (Public Administration and Public Policy) Gargan**

This theoretically and experientially grounded reference provides a complete overview of the principles and applications of government administration and management practices in the local public sector. Written by over 25 distinguished academics and professionals with substantial experience as practitioners and consultants of administrative operations to local governments, the book covers the effects of environmental conditions on local administrators and management techniques to administration in different types of local government. It helps readers reduce research time by presenting advanced materials on local government administration and management in a single source.
