What would happen if you intentionally walked through the places you live and prayed for the things you saw?

What would you see?

How would it change your prayers?

Questions like these led me to walk the streets of my city, praying for what I saw. But what started as a morning "prayerwalking" through a neighborhood transformed into a 100 mile, year-long adventure, with bold prayers and remarkable answers shaping my faith like they shaped my community.

"Pray What You See" is a practical guide to help you take a five-week prayerwalk challenge in your community. Inside you'll find stories, ideas and steps to help you discover what God will do in and through you when you go for a walk and pray what you see.
