Realizing God for the Future: A Personal Vision and Credo Saul Boyarsky

provides timeless wisdom in extremely practical steps. It unlocks the doors to a more healthy, peace-filled life. A powerful book! Harold G. Koenig, M.D. One of the world's leading authorities on spirituality and health "If widely accepted its positive consequences for the world we live in could be groundbreaking." Dr. Marianne Friedrich Saul Bellow Scholar "Well-written and well-researched." Joanna V. Hill Director of Publications, The Templeton Foundation Press Finding the true God inside us for the future as personal responsibility, initiative, accountability, and principle. Change is inexorable, creating opportunity crises best managed through process theology. God must be truthful-without truth, full life, love, justice and virtue cannot exist. Science and religion must marry, not quarrel. They are opposite sides of the same gold coin. Why do prophets succeed where priests fail? God is absolute, though morals and ethics may be relativistic. Biotheology teaches us ecological humility and awareness. Managing evil by restoring living units to wellness through rehabilitation of people, groups and societies. Issues and questions outlast answers, leading us in the future to more sophisticated answers through science.
