## The Complete Illustrated Guide To Joinery Gary Rogowski

There's no more thorough and readable guide to joinery than this new book from expert woodworker Gary Rogowski. *The Complete Illustrated Guide to Joinery* uses full-color, step-by-step photo essays to show you how to make every practical woodworking joint.

Over 1,400 color photos and drawings illustrate the methods, from simple butt joints to angled tenons and complex scarf joints. A project as simple as a box, for example, has a dozen ways to solve the joinery question. And, since many joints can be used interchangeably, *Joinery* leads you through making the right choice for your project based on the function of the piece, the time you have to work on it, your skill level, and your tooling.
