The Learning Shoes Ms. Vernetta Norman

This book, "The Learning Shoes" is in conjunction of what our children learn and value as we teach them. From the cradle to toddler stage and growing ages, children absorb words, sounds and develop emotionally. In this book I captured the dearest and tender moments that our children encounter from those who nurture them. "The Learning Shoes" took me back to my childhood of teachings... I found reading and learning to be so much.... FUN!
