## **Why Pro-Life?: Caring for the Unborn and Their Mothers** Randy C. Alcorn

This completely revised and updated edition of "Why Pro-Life?" offers factual answers to the central issues of the abortion debate in a concise, non-abrasive way. Infused with grace and compassion, and grounded in medical science and psychological studies, Randy Alcorn presents a solid case for defending both unborn children and their mothers. Chapters such as, "What Makes a Human Life 'Meaningful,'" "Is Abortion Really a Women's Rights Issue," and "How Can I Help Unborn Babies and Their Mothers" help readers to look at the many sides of this polarizing issue. For those on the fence in the midst of the abortion debate, this book will be a great resource as it clearly and thoroughly examines the pro-life position. For those who are pro-life already, this book is an encouragement to be intelligently and graciously informed.
