The anointing received is the deciding factor of the truth on this subject, which is unparalleled in content as being current, biblical and to the point. Why are you angels here, where are you coming from and do you give a ?damn? where you are going!?! This book intend to bring a resolution to these questions and if eternal damnation is obvious, redemption is also plausible; as one extremity has a equal opposite, except in the case of God. "Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool" (Isaiah 1:18).
