Backcountry Adventures Utah: The Ultimate Guide to the Utah Backcountry for Anyone with a Sport Utility Vehicle Peter Massey, Jeanne Wilson

Backcountry Adventures Utah navigates through 3,721 miles of the spectacular Canyonlands region, to the top of the Uintah Range, across vast salt flats, and along trails unchanged since the riders of the Pony Express sped from station to station and daring young outlaws wreaked havoc on newly established trails lines, railroads, and frontier towns. See ghost towns, old mines, old Pony Express stations, old railroads and stage lines along the 175 off-road trails. Directions include GPS coordinates and all trails are rated for difficulty, mileage, driving time, remoteness and more. Descriptions highlight places to camp, hike, mountain bike, fish, and sightsee, while histories recount the days of the Wild West.
